

# The Barry Hopkins Run at Olana

**Sunday, September 14, 2008, 9:30AM, 9AM Children's Run**

An Onteora Runners Club Grand Prix Event

Olana State Historic Site, Hudson, NY

**Registration Fee:** \$10 – First 75 entrants are guaranteed a t-shirt. Children's Run is free (awards, no t-shirts).

**Course:** Competitive 7.6 mile double loop race or 3.8 mile time estimation run (no watches allowed) traversing primarily unpaved carriage roads in the designed landscape of Hudson River School artist Frederic Church. The runner finishing closest to the time they predicted beforehand wins the time estimation run. This was one of Barry's favorite types of competitions, possibly because he ran that loop so many times, he could tell you how many footsteps it took!

**Awards:** Unique awards for children, overall double loop winners, top five in time estimation.
