

“Going the distance for Aron”

(This is not a race application. It is a fund drive.)

Our friend, coworker, and neighbor, Aron, was taken from us in February. Our hearts still ache. Please consider “going the distance for Aron”. It is hoped this effort will help Aron’s wife and children. Aron loved the outdoors and lived here in the Catskills. To honor his memory, I will attempt to run the Catskill Mt. Road Race 100k ‘solo division’ in August. Whether hiking, hunting, or volunteering, he likely traveled many portions of the course which circumnavigates the Catskill Mountains of Ulster and Sullivan Counties and ends in his hometown of Olivebridge.

Not a runner? Not a problem! You can participate by making a donation. All money collected will be given to Susan Thomas. No donations will be used towards racing expenses. Are you a runner? Please feel free to join me in training runs during lunch hour or on weekends. Also, please let me know if you would be interested in “crewing” for me during the race. Are you always promising yourself you’ll get more exercise? ‘Go the distance for Aron’ by ‘training’ outdoors this June and July –walk, run, or hike during lunch, after/ before work, or over the weekend – we’ll be together in spirit. Aron did some running (but always considered me slightly nuts for doing ‘ultras’.)
