**No dogs are allowed at Tymor Park**

**Reason for change:** The restriction on dogs applies to spectators as well as runners. Some people came last year who were spectators and not runners and brought their dogs, only to find out that they could not have dogs on the Tymor Park property. Tymor Park does not allow dogs on their property, and they have posted signs stating that restriction. By changing the wording on the flyer, this says that it is a Tymor Park restriction and not a MOH 5K restriction, and that the restriction applies to spectators as well as runners.
